ABOUT THE CENTER

NORTH FLORIDA
WILDLIFE
CENTER

The North Florida Wildlife Center is a 501(c)(3) nonprofit organization that strives for the highest standards of animal care, education, conservation, environmental service, and operations. The NFWC is active in education initiatives, breeding programs, and ecosystem recovery around the world, as well as in its own community. The NFWC has been a top attraction in North Florida since its opening in 2019.
